

About Spherix Global Insights

Spherix is the world’s leading Life Sciences market intelligence and advisory services firm, providing unrivaled knowledge and the most informed, actionable insights.

We bring human intelligence to market intelligence. Spherix empowers customers to access critical insights that drive successful decision-making through deep, expert knowledge.

Spherix Provides Independent Expertise in Seven Areas

Dermatology

Nephrology

Gastroenterology

Neurology

Rheumatology

Ophthalmology

Hematology

This is a guide to the publications Spherix will produce in 2024. It is organized by therapeutic area, indication, and deliverable.

Going Beyond the Data

The report is only the beginning. Spherix brings curation and interpretation to market intelligence, working closely with customers to reveal actionable insights that transform markets.

Type of Publications

MARKET DYNAMIX

A yearly market overview of an indication, Market Dynamix provides insights into current treatment paradigms and unmet patient needs as well as physician opinions on how they will likely prescribe new products upon approval.

REALTIME DYNAMIX

A US quarterly or EU5 semi-annual update on an indication, RealTime Dynamix provides trending content on brand use, future intentions, promotional activity, disease awareness and controversy, and pipeline product perceptions.

LAUNCH DYNAMIX

Published monthly, Launch Dynamix tracks a new brand’s first eighteen months of commercial availability. Each quarter includes a deep dive into promotional activity, barriers to uptake, and patient types gravitating to the launch brand.

PATIENT CHART DYNAMIX

A yearly large-scale patient chart audit on an indication, Patient Chart Dynamix unmask real patient management patterns and uncovers the “why” behind treatment decisions.

SPECIAL TOPIX

Whether the focus is breaking industry news, ongoing trends, conference coverage, or quick-pulse reactions, Special Topix assesses the impact of events in our specialty markets.
